Boynton Beach, Florida, April 8, 2009 – The Women of Note Chorus returned victorious once again from the regional Sweet Adelines International chorus competition in Daytona Beach, winning TWO medals for the SIXTH year in a row. This exceptional women's a cappella barbershop chorus, with 36 members on stage and competing against choruses 2-3 times it's size, excelled with another marvelous performance, capturing FIRST PLACE in the regional mid-size chorus division and fourth overall.

Along with preparing for competition, the chorus appeared on the CBS 12 Daybreak Show in February, sang the "National Anthem" at Roger Dean Stadium on March 9, and entertained audiences throughout South Florida with a number of private and public performances. Upcoming, The Women of Note will be volunteering at SunFest this spring and Clematis By Night in December in addition to scheduled performances and preparations for their annual show in December.

The award-winning Women of Note Chorus is a chapter of Sweet Adelines International, a nonprofit music education association for women.
